### **JBN Mission Statement:**

*It is the goal of JBN to be the leading Urban Media Broadcast Network in the US. Providing an Urban & African-American perspective on news, information, sports and entertainment through streaming media services via the world wide web. To develop a broadcast network that will become a top 3 industry leader. To develop a network that is dedicated to providing black owned and operated businesses with a viable and reasonable place to advertise their products and services and grow their businesses. To create a media network that will strive to maintain and help expand the enrollment and size of Historically Black Colleges and Universities across the country. To provide urban youth with education, training, & exposure to all aspects of digital media and the broadcast industry. To bring economic development to urban areas in the U.S. To change the face of the Urban community by telling our own stories! "Our World. Our Culture. Our Perspective!"*

## The JBN Family of Networks:

JBN is the premier online broadcast network for the urban community. Celebrating over 15 years of online broadcasting we have been the most consistent and reliable source for urban sports, news, music, & entertainment. Reaching across all types of genres and taste we are your best source to reach the urban & black market. These are the ways you can reach the upwardly mobile urban consumer from 18-54!

V108 The VIBE Radio Stations: Sports and Talk will function as one station until September 2017

[Gospel VIBE](#) is the premier online source for gospel music reaching fans from 24-54

[Sports VIBE](#) is the top spot online for sports talk of all kinds reaching ages of 18-54 (Launching Sep 2017)

[Talk VIBE](#) is a network dedicated to talk shows from different speakers around the country

[Urban VIBE](#) is the ORIGINAL radio station of JBN. This has been the #1 source for R&B, Neo Soul, Jazz, and Urban AC music on the net for the past 14 years!

Internet TV Networks: All TV stations will operate under the name UITV until September 2017

[JBN Sports/Black College Sports Network](#) is the Flagship network of JBN and is the longest running free online broadcast of HBCU sports. The BCSN launched in August of 1998 and was the First and has been the Premier online Black College broadcast.

[Faith I-TV](#) is a network dedicated to programming that is targeted to uplifting the human spirit!

[Urban I-TV](#) is a network focused on providing programming about, for and featuring the urban population.

[JERICHO News Network](#) will be the PREMIER voice of Urban America. JNN is focused on providing political, social, and economic, commentary from an urban perspective. JERICHO will do what NO other black network has done to date; put Black American's "INN" the know, "INN" the discussion, and "INN" the fight!

We have targeted 50 different primary markets across the country along with the secondary markets being the cities that have HBCU's in them. Our core demographic consist of over 10,000 registered members between 35, 54 with an average income of \$50,000+ with 55% of them being women. The purpose of the roll out is to establish a Network affiliate in each of the particular markets. The network affiliate will be responsible for the dissemination of information about the market back to the network and for the general marketing. We have launched the first two local affiliates in Atlanta/Athens GA Sky City Media Group ([www.SkyCityMG.com](http://www.SkyCityMG.com)) and in Los Angeles DMInk Broadcasting ([www.DMitchThePoet.com](http://www.DMitchThePoet.com))

## THE URBAN BUSINESS ALLIANCE

Don't miss this opportunity to take advantage of the most dynamic and aggressive advertising plan designed especially for small businesses. The Urban Business Alliance™ is a program developed to help your business increase revenues through the most effective advertising and promotional digital avenues available.

### What is the Urban Business Alliance™?

The Urban Business Alliance™ is a cooperative marketing group designed to afford your businesses the opportunity to advertise at a level that you most likely would not be able to. By joining the Urban Business Alliance™ your business will be able to maximize its advertising budget, through various digital media outlets. You will also be able to participate in our Business Expo & Education series that is designed to inform members as well as consumers of the benefits and services that are available to and from Urban Business Alliance™ Members.

### How does the Urban Business Alliance™ work?

The Urban Business Alliance™ establishes a marketing group that assists each of its members in growing their businesses. By joining the Urban Business Alliance™ you become a part of the advertising body the “**URBAN PASSPORT™**”. The **URBAN PASSPORT™** will provide the user with benefits from the member organizations such as discounts, rebates and other specials. **THE CARD WILL BE FREE OF CHARGE TO THE CONSUMER.** Once an individual receives their card they are signed up to get the monthly directory that lists the member businesses as well as their monthly specials. This card will be distributed to Black College Students and members in our 50 primary media markets across the country. The card will be marketed to the public (your consumers) by several different means. 1) Direct Advertising, the UP-Card will be distributed through our internet media outlets we will provide the card to the general public FREE OF CHARGE! 2) Monthly & Quartile Marketing events, Once there are 7 paid advertisers in a metro area, The Urban Business Alliance™ will hold a community expo each month in different markets that will allow the members to showcase their business to the public. With a strategic roll out plan, all of these parts will help produce a media machine that will allow you to grow your business.
